Newsletter:

The newsletter is very late going out (Monday, June 6) as my Daughter Laura and her family were visiting from Michigan for the past 4 days. She and her Husband Todd gave me a present while they were here. A new Kodak Easy Share CX7530 and DOCK!!! Consequently, I will be able to record weekly activities at the STARS Flying Field and publish those pictures in the Newsletter!

This was a very tough issue to get out and I can only hope you all get it before the meeting. As usual, If I have omitted any pertinent information, forgotten to include anyone's name, misspelled anyone's name, misquoted, misinterpreted, misunderstood, aggravated, or committed any other offense, please, fire me at your earliest convenience. I will understand completely. **DICK SAY**
