Dick,

Congratulations to the STARS for the Giant Scale Pioneer Award from the AMA. The STARS had a vision to the future. Nick Jr. and I attended many of the early Olean Stars Rally Fly -ins when it was the only game in town. It was a days ride but worth it. Met a lot of nice people. Great memories. I know Nick Jr. will never forget the ride that Woody Clapp gave him in his Cessna 195. Woody was just going to move it but knew this young kid would be thrilled to go up in it. He was. Nick now owns a Beech Barron and part of a J3 Cub. I'd like to think that ride in the 195 helped instill the love of aviation he has.

Please give my congratulations to the club.

Sincerely, Nick Zirolì

Through the winter I would like to show photos of projects that members are working on for the next years flying season. Either bring your project to the regular meetings for 'show & tell' or send me photos via e-mail.
