Bob volunteered to publish and maintain the calendar of events located on the website.

Contact Bob if you wish to have an event added to the Calendar.

Dick has also updated the STARS website to include a recent copy of our monthly newsletter.

STARS Rally:

Members present have suggested each department should be responsible for their own profit center rather than having the CD responsible for all activities before, during and after the Rally.

CD should be responsible for layout, safety and associated AMA documentation requirements.

Winter Party:

Moon Winks located in Cuba has been suggested for hosting the winter party. Mike Zias had the opportunity to pick-up a menu. In general, they have a large selection of menu items to choose from. Cost will be \$20 per person for adults and \$10 for children. Members present have also requested Jim, Dick and Mike check Premier Buffet and Pulaski Club.

Nominations for Secretary: Jamie Bowen.

Nominations for Treasurer: Tom Orcutt.

Motion to close nominations have been accepted and approved.

Members present voted in Don Wehalge as our new Vice President.

Jim Goodemote has volunteered to replace Dick as a planning board member.

Tentative plans have been set for the transition of Club Officers to begin in January 2006.

New Business:

Ken Babbit reported Home Depot does in fact have dumpsters for rent. However, typical home construction materials are allowed and not met for containing food and beverage disposal.

Kip Karn will also investigate possible use of Crown-Y for waste disposal.

Garage:

Randy opened a discussion concerning how easy it was to gain access to the garage via the pinbox. However, not all members present were aware a garage key had been placed in the pinbox. Several discussions occurred as to the pros, cons and other alternatives for member access to the garage. In past years, keys were only given to members who would request them. However, several past members also didn't return them.

Ken gave a motion to only allow keys for club officers and maintenance personnel.

Motion was seconded, but later withdrawn by Ken in favor of changing the pinbox combination.

Motion was given to change the combination in the pinbox at least once per year and leave a garage key inside the pinbox. Motion was accepted and approved.

Meetings:

Planning meeting will be held at Jamie Bowen's house November 21th @ 7PM.

Next Regular STARS general meeting will be held at JCC campus in Olean December 14th @ 7:30.

Moonwinks in Cuba, NY

Is under serious consideration by the winter party committee as the site for this years party.
