Bob Bush - plane flies great

**pretty-but extremely treacherous !
Sometimes you get the elevator,
sometimes you get the shaft.**

**Gary Bakers plane in the foreground and
some of the gang loitering behind.**

Some of the "peanut" gallery; It's always nice when the ladies come to the field to view our stupidity -oops - I meant accomplishments!

Next week Aug 13 is the Flying Aces Fun Fly in Jamestown. It is very informal & a real fun time with lots of old friends and good food. It is important we attend The events of Clubs who attend ours. Besides - you just might have a good time, so c'mon.

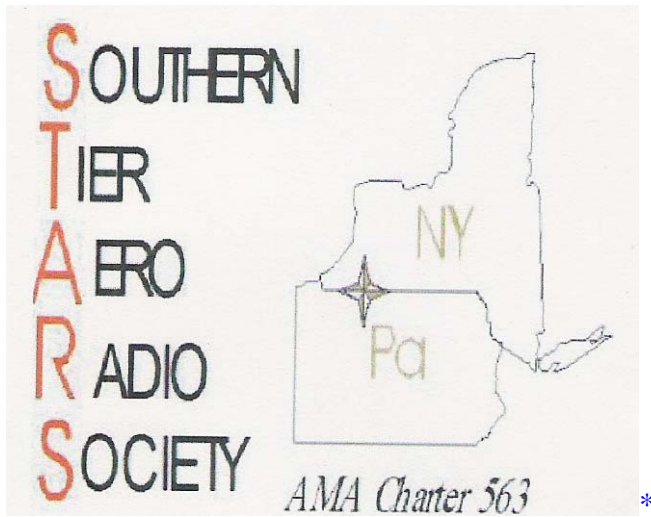

Sky Rovers are trying something new on Sept 2nd that is worth noting. A Warbird Rally - one day only event. If it works out they will make it an annual event. This is an interesting experiment.

That's all for now folks. Any constructive comments are welcome. AS usual, if you feel I am not constructing the newsletter in an acceptable fashion - fire me -

PLEASE!
